# HELLO gorgeous!

**We see you.** We see your beauty. Your skin hue, your hair texture, your smile, everything uniquely yours, made by a loving Creator.

More than that, we see the loveliness within.

Your heart, open to a purpose larger than yourself. Your eyes open to the impact your daily decisions make on the world.

Discerning what naturally cares for your body, for the long term. Discarding toxic beauty trends that sacrifice health for superficial instant results.

Choosing products that truly uphold fair trade and dignified wages, uplifting farmers and fellow Filipinos. Making better choices for your family, your home, and our earth. And inspiring others to do the same.

This is genuine beauty, head to toe and inside out.

**You are more than just beautiful.** We see you and we celebrate you.

## Our Philosophy

### Pro-Philippines

Our products are created by Filipino scientists to care for a wide diversity of skin and hair types and textures. We strive to bring the best of the Philippines to the world, using Philippine ingredients and packaging wherever possible. We partner with local social enterprises and farming communities, purchasing at fair trade prices to help our economy flourish.

### Pro-Poor

Since day one, we've paid workers more than minimum wage — we provide living wages to ensure quality of life. We have a no firing policy for regularized workers because we believe in second chances just as God forgives our mistakes. In abundance or in scarcity, especially during the pandemic, we don't lay off workers and we commit a significant portion of our sales towards uplifting the poor.

### Pro-Environment

All our products are genuinely natural and free from harmful chemicals. We ensure that our raw materials are naturally-derived and only undergo processes that are non-toxic to our ecosystems. We commit to sustainability with plastic bottle-free formulations, upsizing options, refilling stations and recycling drop-offs where available to lessen our plastic waste.

# more than just beautiful

We celebrate women who embody true beauty expressed through bravery, compassion, determination, and service for others. May their stories encourage a new wave of Human Nature advocates to create their own positive, long-lasting impact on our world.

### More than gorgeous, courageous

Janina Vela, 23

is not just a YouTube trend-setter, she is a truth-teller. She speaks her mind on beauty, positive self-image and family life with the same passion as she does on social issues, good citizenship and love for the Philippines. She empowers a new generation of young women to **be confident about who they are and what they stand for**, and to **actively participate in governance and public service**.

@janinavela

### More than stunning, strong

Kaizen Dela Serna, 20

brought pride to the country when she brought home the gold in the 2019 SEA Games, and recognition in the Guinness World Records for winning the Philippine 100-meter obstacle course racing open event. Beyond conquering courses, she campaigned for Project Kamayan, **supporting frontline workers** and inspiring Filipinos to help others **rise above their own obstacles during the pandemic**.

@delasernakaizen

### More than bright smiles, transformed lives

Sam Tamayo, 26

founded Project Smile, an organization empowering the youth to be part of various impact projects that serve PWDs, kids with special needs, individuals at risk, and coastal communities, among others. Her mission is to **reach the sectors often ignored or forgotten in society**, and **influence the youth to help uplift the marginalized**.
